## Mary's Houseguests

### ACTS 12: 1-19

1. What do you think was Herod's motivation for his actions?
2. When you get to verse 4, what might you expect would happen to Peter?
3. Why did Herod need sixteen guards for one prisoner?
4. What might the specific prayers of the church have been?
5. Is there any significance to Peter sleeping the night before his trial?
6. Why might Peter have thought he was seeing a vision?
7. Why were the people surprised to see Peter?
8. What did they mean by "it is his angel"?
9. What might be some situations that would warrant a prayer meeting?
10. Would such a gathering be more effective than Sunday assembly, or a "prayer chain," or all individuals praying in their own homes for the same thing?
